## nüvi® 1390T

The ultra-thin, widescreen nüvi 1390T is a feature-packed navigator for Europe, including the U.K. and Ireland. It has Lane Assist and junction view for supreme route awareness. It includes Bluetooth® wireless technology for hands-free phone calls, pan-European premium traffic alerts and ecoRoute™ to calculate a more fuel-efficient route. It also is compatible with the optional cityXplorer™\* download to get you around on foot or public transport, and you even can add City Guides to make the most of your time in town.

### Key features

- Only 15mm thin – ideal for use in and out of the car
- Premium, subscription-free traffic alerts
- Bluetooth wireless technology for handsfree calls
- Lane Assist and junction view for help at upcoming junctions
- Public Transport and Pedestrian mode with optional cityXplorer download
- New optional AA City Guides for restaurant listings, attractions and more
- Street level mapping for Europe,
- Garmin's unique speed camera warnings
- Announces street names before you turn – e.g. "Turn right into Dell Road"

### Navigate City Transit

With its enhanced pedestrian navigation capabilities, nüvi 1390T is the perfect travel companion for getting around town. Download optional [cityXplorer™](#) content to help you navigate city public transit. Know where to walk, where to catch the bus, subway, tram or other transportation and how long it will take to get there. cityXplorer maps are available for select cities throughout North America and Europe. And with prices as low as \$9.99, you'll have money left over to spend in the big city.

### Take It With You

Twenty-five percent slimmer than other nüvis, you can take the ultra-thin 1390T anywhere. It easily fits in your pocket or purse, and its rechargeable lithium-ion battery makes it convenient for navigation by car or foot.

## Know the Lane Before It's Too Late

No more guessing which lane you need to be in to make an upcoming turn. Lane assist with junction view guides you to the correct lane for an approaching turn or exit, making unfamiliar intersections and exits easy to navigate. It realistically displays road signs and junctions on your route along with arrows that indicate the proper lane for navigation.

## See More

With nüvi 1390T's widescreen display, you'll always get the big picture. View map detail, driving directions, photos and more in bright, brilliant color. Its sunlight-readable, 4.3-inch display is easy to read — from any direction.

## Get Turn-by-Turn Directions

nüvi 1390T's intuitive interface greets you with two simple questions: "Where To?" and "View Map." Touch the color screen to easily look up addresses and services and get voice-prompted, turn-by-turn directions that speak street names to your destination. It comes preloaded with detailed City Navigator® NT street maps, nearly 6 million points of interest (POIs), 2-D or 3-D maps and the speed limit for most major roads. Its digital elevation maps show you shaded contours at higher zoom levels, giving you a big picture of the surrounding terrain. With the 1390T's enhanced user interface, you can slide your finger to conveniently scroll between screens. You can also upload [custom points of interest](#) (POIs). And with HotFix™ satellite prediction, nüvi calculates your position faster to get you there quicker.

## Make Hands-free Calls

For hands-free calling, nüvi 1390T integrates Bluetooth® wireless technology with a built-in microphone and speaker. Just pair it with your [compatible Bluetooth phone](#) and talk hands-free through the 1390T while staying focused on the road. Simply dial numbers with nüvi's touchscreen keypad to make a call. To answer calls, just tap the screen and speak into its built-in microphone. Enjoy convenient one-touch dialing for contacts and points of interest.

## Receive Free Traffic Alerts

[Steer clear of traffic](#) with nüvi 1390T's integrated FM traffic receiver and free lifetime<sup>1</sup> traffic updates. Receive alerts about traffic delays and road construction that lie ahead on your route. Next, simply touch nüvi's screen to view traffic details or detour around the problem area.

## Go Beyond Navigation

Navigation is just the beginning. nüvi 1390T saves you gas and money with [ecoRoute](#) — a green feature that calculates the most fuel-efficient route, tracks fuel usage and more. The 1390T includes many travel tools including JPEG picture viewer, world travel clock with time zones, currency converter, measurement converter, calculator and more. With photo navigation, you can download pictures from [Garmin Connect™ Photos](#) and

navigate to them. It's also compatible with MSN® Direct (receiver purchase and subscription required). With its "Where Am I?" emergency locator, you always know your location. Simply tap the screen to get your exact latitude and longitude coordinates, the nearest address and intersection, and the closest hospitals, police stations and fuel stations. The 1390T features Garmin Lock™, an anti-theft feature, and is compatible with our free [Garmin Garage](#) where you can download custom custom voices and vehicles. Enhance your travel experience with optional plug-in microSD™ cards.

*<sup>1</sup>Lifetime traffic extends for the useful life of your Garmin traffic receiver (as long as you own a compatible Garmin GPS) or as long as Garmin receives traffic data from its traffic supplier, whichever is shorter. Traffic content not available for all areas. See [www.navteq.com/rdsttraffic](http://www.navteq.com/rdsttraffic) for traffic coverage areas and [www.garmin.com/traffic/fm/navteq.html](http://www.garmin.com/traffic/fm/navteq.html) for program License Agreement containing complete terms and conditions.*
